‘manteia-online.dk’ (created by Frank & I) was unexpectedly & unceremoniously vanquished after Frank sadly passed away (in 2016). We are attempting to rebuild & host it on my site. Your help in recovering any missing files would be greatly appreciated. Otherwise we hope you enjoy Frank’s insightful & unique contributions to this beloved esoteric realm we all share. **RIP K. Frank Jensen!** You are greatly missed by your many fans & friends...

Thank you for your support,
